

My vinyl record collection is a real treasure trove for any '90s dance music lover, especially when it comes to those 12" remixes that defined the era's club sound. Among the standouts, I've got B.G. & The Prince Of Rap's "This Beat Is Hot"—a track that never fails to bring a nostalgic energy to any set. Then there's En Vogue's "My Lovin' (You're Never Gonna Get It)," remixed to perfection and a surefire crowd-pleaser. What makes flipping through my shelves so exciting is the sheer variety—dozens of classic '90s remix records, each with their own unique take on iconic songs. Every spin feels like dropping the needle straight into the heart of a legendary dance floor.
